

ANCHORED TO EXCELLENCE LAFAYETTE MIDDLE SCHOOL

Summer Reading 2018

Lafayette Middle School students are highly encouraged to participate in the Lafayette Middle School Summer Reading Program. This program assists in students being successful in their next grade level in all subject areas. Our program is based on research that shows students who do not read two to three hours per week lose two months of reading skills over the summer.

Students,

In order to receive an extra credit grade in your English class, read the book assigned for your upcoming grade level and adequately complete two assessments:

- Reading Guide (hard copy available in the front office)
- Accelerated Reader Test (will be taken the first week of school)

A **FREE** copy of your assigned book is available to you in the front office of LMS. You can pick up your book and reading guide **June 11-15**.
